Summer Shirt Waists

If you want something entirely new—shirt waists unlike the ordinary run—come and look these over. They are shirt waist style of the highest order, in piques, white lawns, pure lins, Anderson's gingham and percales, all made in the newest shapes; some are with dainty set-in insertions, some with white embroidered yokes with colored lawn or gingham bodies, there are many with handsomely hemstitched fronts, stitching running lengthwise, bayedore or bias, some are finished with fine tucking and hemstitching, and a few with tucking and ruffles of lace. There are beautiful waists here to suit all tastes and purposes. Two extremely popular prices.

MERROWS

Are Having Trouble With
Their Lawyers.

Attachment Issued on Their Property
to Secure Fees.

The Merrow family continues to
occupy the attention of the courts of
Hamilton county.

Apparently the physician and his
wife forgot that it costs money to
litigate. The following is from the
Enquirer:

"The Merrows are having more
trouble with their attorneys. Not
long ago Attorney Littleford sued
Mrs. Merrow for \$1,000 on a note,
and a lot of goods were attached
which belonged to the business
in which she and her husband had
been engaged, and which he had
transferred to her by a bill of sale.
She afterward transferred the prop-
erty back to her ex-husband and he
replevined it from the Sheriff.

"Yesterday Charles L. Lundy, who
was one of the counsel for Merrow,
sued out an attachment against the
same property in the possession of
Merrow and a constable. He claims
that there is due him \$750 for legal
services and for money advanced.
The attachment was served just be-
fore the trial of the replevin suit be-
fore Squire Kushman."

In Justice John H. Thomas' court
Saturday morning the case wherein
